

# PROTECTIVE SLEEVES

Greatly reduces possibility of damage to plug due to debris and sharp objects in the pipe. The protective sleeve also protects plugs when the pipe is degraded. Works particularly well in coastal areas where oysters and barnacles are present.

**Features:**

- 1/4" thick sleeve extends plug life
- Eliminates superficial cuts on plugs
- Great for rental distributors & frequent users
- Maintains back pressure ratings
- Easy to install without special tools

Plug with sleeve installed

## PROTECTIVE SLEEVES

**Protective Sleeve**

Threading rope through eyelets holds sleeve in place during plug installation and removal.

PART NUMBER	SLEEVE SIZE
300968	12"-18" (300-450 mm)
